I still love to play Lego very much. Legoland is the theme park. It
has something fun to everyone, especially Lego lovers. Last
summer, my family and I decided to go to Legoland California
Resort.

We stayed one night at the Legoland Hotel. When we
entered the hotel lobby, we saw colorful Lego toys everywhere.
My brother jumped into a play area with many Lego blocks right
away. There are a lot of images of Lego characters in our rooms.
My brother and I even watched Lego movies at night. We all love
it!

The next morning, my brother and I got two cute Lego toys when
we checked out. We were excited and then we went to Legoland.
We visited Miniland USA first. We looked at mini models of
American cities. The workers used many Lego blocks to build
them. We liked the models of New York the most. Later, we took
lots of exciting rides there, such as Beetle Bounce, Knights'
Tournament, The Dragon, and so on. We also saw the real setting
from the film, *The Lego Movie*. We had a lot of fun and took
many photos in Legoland. That was a sweet memory for us.
